NOTES

ADMINISTRATION OF CREDIT: The College Board sends all scores to the Office of Testing and Evaluation. From there, they are sent to Transfer Credit Evaluation. The contact is Colleen McIlwain and can be reached at colleen@wayne.edu. The student is notified by email once the credit has been entered.

The College Board also sends copies of the score report to the student and the student's high school. Only official score reports sent directly to Wayne State are considered for credit. Credit is not awarded based on the credit awarded by another institution and placed on that institution's transcript. The student need only request the score be sent to Wayne State, the code is 1898. To request official score reports the student can contact: (609) 771-7300 or (TTY) (609) 882-4118 or visit their website at www.apcentral.collegeboard.com

RESTRICTIONS: Effective November 2017, there is no limit to the number of credit hours for AP or a combination of AP, IB, CLEP, and department-based credit by examination that may be used toward a WSU degree. All credit will be recorded on the student record.
